

Woodlands International College

Junior College Newsletter

11 April 2019

Dear Woodlands Family,

So, we've reached the end of term. Thank you and Good Night.

Just kidding, this gives me a moment to reflect on the term that has just passed. It has been a great term for Woodlands Junior College:

- From the Athletics, where we hosted the Inter Primary Meeting at the Boksburg Stadium and competed successfully with top schools, who have an athletic tradition going back generations (our hosting went well, even though there was no power at the Stadium on the day ☹).
- To swimming, where we entered two teams in the Inter School galas, continuing our tradition of everyone being able to compete or join a team or group if they wish to. Incredibly and unfortunately, the final gala was cancelled due to weather (at an indoor venue ☺).
- To our Musical Production Mulan Jr which ended with the 7th performance on Tuesday night. What an incredible show it was. Wonderful leads – who will ever forget Mushu (Lathi-Tha Ngcakani) and Mulan (Chloe Stone)? How amazing it was to see the entire Intermediate Phase (Middle College) on the stage all at once! I think some of those tunes will stick in my head forever, as will the colour and brightness and beauty of the costumes and set design. Mrs Plunkett, you're an absolute star!

So remember, never, ever, give up

Dr G Pienaar
