Junior College Newsletter

8 February 2019

Dear Woodlands Family,

I had the privilege of watching our swimmers in action this week at the Inter-Primary Relay gala which we hosted at Boksburg North Pool. It was wonderful to see our top swimmers like Ting Wei Deng and all the newer swimmers in our "B" team swimming their hearts out. I felt really proud of Woodlands. Congratulations to Kerrie Moolman, Coach Claudia and their team of coaches and teachers.

As you read this our athletes will be competing in the Inter Schools Athletics at Boksburg Stadium. Good luck to all of them!

Thank you to all of you (parents driving our children to school) who have displayed great patience in terms of the parking issues at school (and the road works in the area). The drop and go system has been working very well. Our Foundation Phase teachers report that most children have managed very well in terms of coming in to school on their own and carrying their own bags!

Our new hall is progressing at a rapid rate - you can see the walls already! All things being equal, it should be completed by the end of June. It's going to be magnificent!

So remember, never, ever, give up.

Dr G Pienaar
