All reasonable precautions have been taken to ensure that no viruses are present in this letter, however, Woodlands International College cannot accept liability for any loss/damage arising from it.

17 May 2020

Dear Parents, Guardians and Students,

As we anxiously await the address from Angie Motsheka (Minister of Basic Education) on Monday 18th May 2020 re the reopening of all schools, we continued this week with preparations for the safe return of all students and employees to Woodlands. Together we are working tirelessly to create a safe and healthy environment for all our employees and students, where every possible COVID-19 infection is detected early before entering campus. There are numerous role players behind the scenes who are meticulously planning and preparing Woodlands to ensure that our College is ready and meets all of the legal requirements in order to re-open. Please note, all the proposed return dates in this communication may change based on the address by the Minister of Basic Education on Monday.

As part of the return strategy, a special Covid-19 email has been set up to address all of your queries, comments and suggestions around COVID-19. Please direct all such communication to c19@woodlandscollege.co.za. To this end, a COVID-19 survey will be sent to all parents shortly which needs to be completed and submitted at your earliest convenience.

Woodlands is a private/independent institution which will determine its own staggered return dates for the various grades and will not necessarily follow the Departments or any other Private Schools return dates strategy. As always we will act in the best interests of all College stakeholders and ensure that our return strategy is focused on the safest return of all students and employees.
