## Woodlands International College JUNIOR COLLEGE UNIFORM POLICY

### Introduction:

Woodlands International College expect the students to be neatly and appropriately dressed. A school uniform is a positive and effortless way to reduce discipline problems and increase school safety. Woodlands International College as an independent school that, has a prescribed dress code for students.

### PURPOSE OF WEARING A SCHOOL UNIFORM

The wearing of uniforms has definite advantages e.g.

1. Uniform clothing plays an important role in maintaining and instilling discipline in students; and discipline at school.
2. It prevents children from disadvantaged households developing an inferiority complex because they are not as well-dressed as children from more affluent families.
3. In promotes unity and pride, which in turn leads to better achievements by the students.
4. The uniform allows students to participate in school activities with comfort, decorum, and ensures that our students are easily identifiable, for safety reasons.

In addition, a school uniform is also useful in:

1. assisting school officials in the early recognition of persons not authorised to enter a school;
2. helping parents and students resist peer pressure that leads students to make unnecessary demands for particular and often expensive clothing;
3. decrease in theft, particularly of designer clothing, jewellery, and expensive footwear;
4. helping students concentrate on their schoolwork; and
5. showing sensitivity to age and gender.

Parents are to ensure that:

1. items of College uniform are bought in the correct size and replaced when too small.
2. items of uniform are worn in the original, approved width, length and colour.
3. outside of College (i.e. travelling to or from College, in a public place) either full College uniform, full sports uniform or casual clothes be worn. Students should not mix and match any of these uniforms.

Parents are to mark all items of clothing with the student's name and present grade including socks, shoes and hats.
