INTERNATIONAL COLLEGE

Pre-Primary

27th February 2026

A Note from the Principals Desk

Life is a little like a Disney adventure. Full of magic, surprises, and moments that make us smile. Every challenge is a chance to grow, and every small success is worth celebrating.

As Mickey reminds us,

"If you can dream it, you can do it."

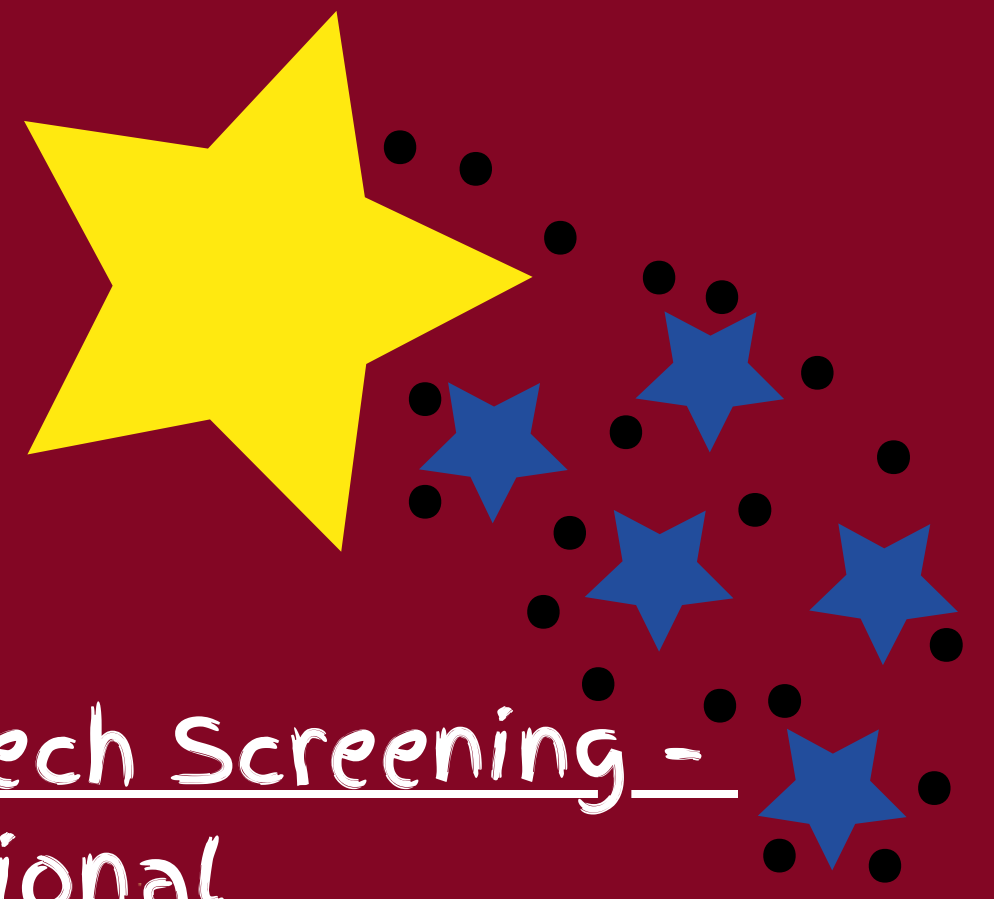

Let's keep dreaming, exploring, and enjoying the journey together!

Hearing & Speech Screening - Optional

Next week, our little Grade 000 and 00 Woodlanders will have the opportunity for hearing screening if parents wish to have it done. Our Grade 0 Woodlanders will be offered both hearing and speech screening.

This screening is optional and comes at a cost to parents, but it provides valuable information for both educators and families. It helps to rule out any concerns, check age-appropriate development, and give peace of mind.

If you would like your child to participate, please complete the consent form and return it to your teacher with the correct amount of money in an envelope.

On Wednesday, our little Grade 000 and 00 stars were treated to the most adorable puppet show! The room was alive with squeals, giggles, and shouts of pure excitement, it was impossible not to smile!

Their laughter bounced through the school, spreading joy everywhere, and reminded us all just how magical a little imagination can be!
