A Note from the Principal's Desk

Gratitude...

... has a wonderful way of changing our perspective. When we choose to focus on our blessings instead of our burdens, our hearts become lighter, our joy becomes deeper, and hope begins to shine even brighter.

May we never take these blessings for granted. Instead, may we continue to embrace each day with thankful hearts.

Today, we rejoice with hearts overflowing with thankfulness.

And that's a wrap!

Our World Cup Raffle has officially come to an end... and what an incredible tournament it has been!

The champions are... SPAIN! 🇪🇸 🏆

Wow... what a game! It kept us on the edge of our seats until the very end! A huge thank you to everyone who joined in the fun and entered our raffle. So many of you were backing Spain! Every Spain entry was placed into a lucky draw to determine our winners. To ensure everything was fair, the draw took place in front of everyone.

And the lucky winners are...

Third prize - R250 Gift Voucher and Hamper - **Jacques** (Khairon's list - OOW)

Second prize - R500 Gift Voucher and Hamper - **Mamello** (Pholo's list - OI)

FIRST PRIZE - R1000 Gift Voucher and Hamper - **Debbie** (Ava's list - OOW)

Congratulations!

Thank you to everyone who participated and made our World Cup Raffle so much fun. We loved seeing all your predictions and support throughout the tournament!

"Alone we can do so little; together we
can do so much." – Helen Keller

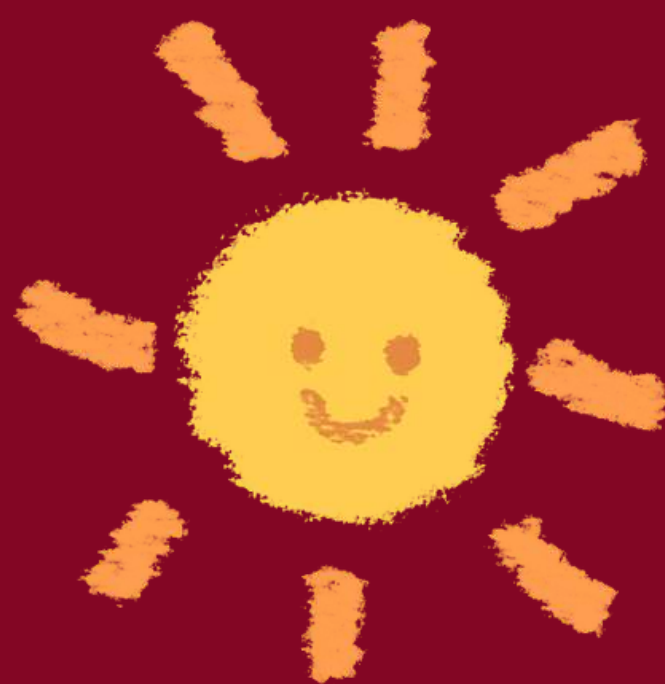

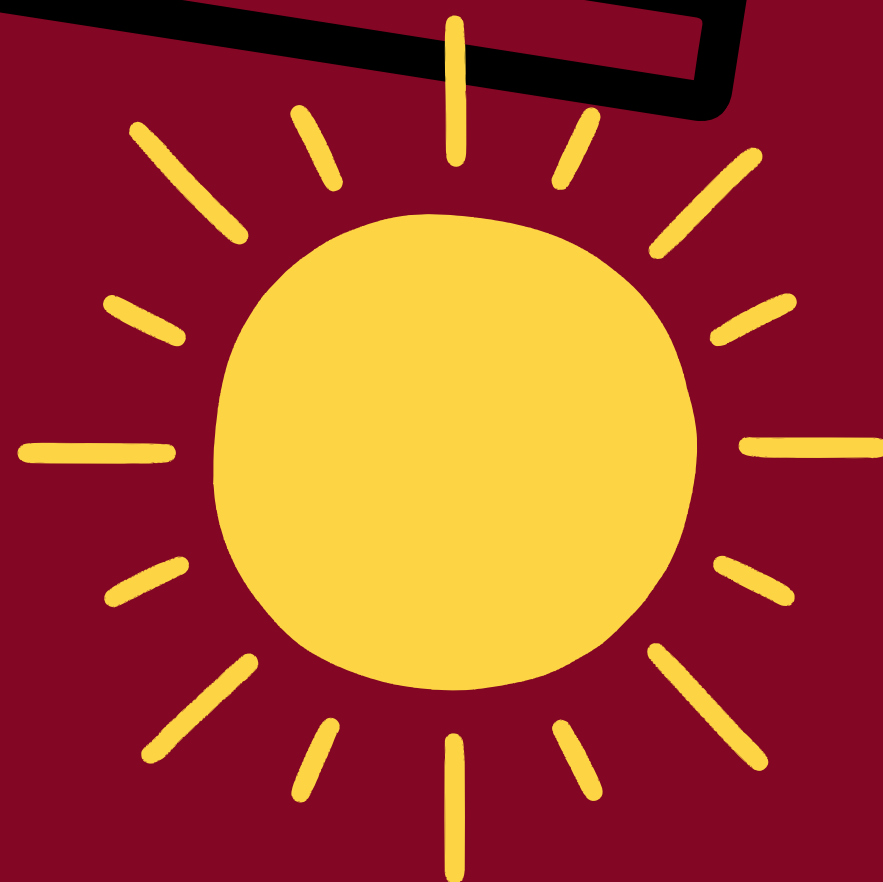

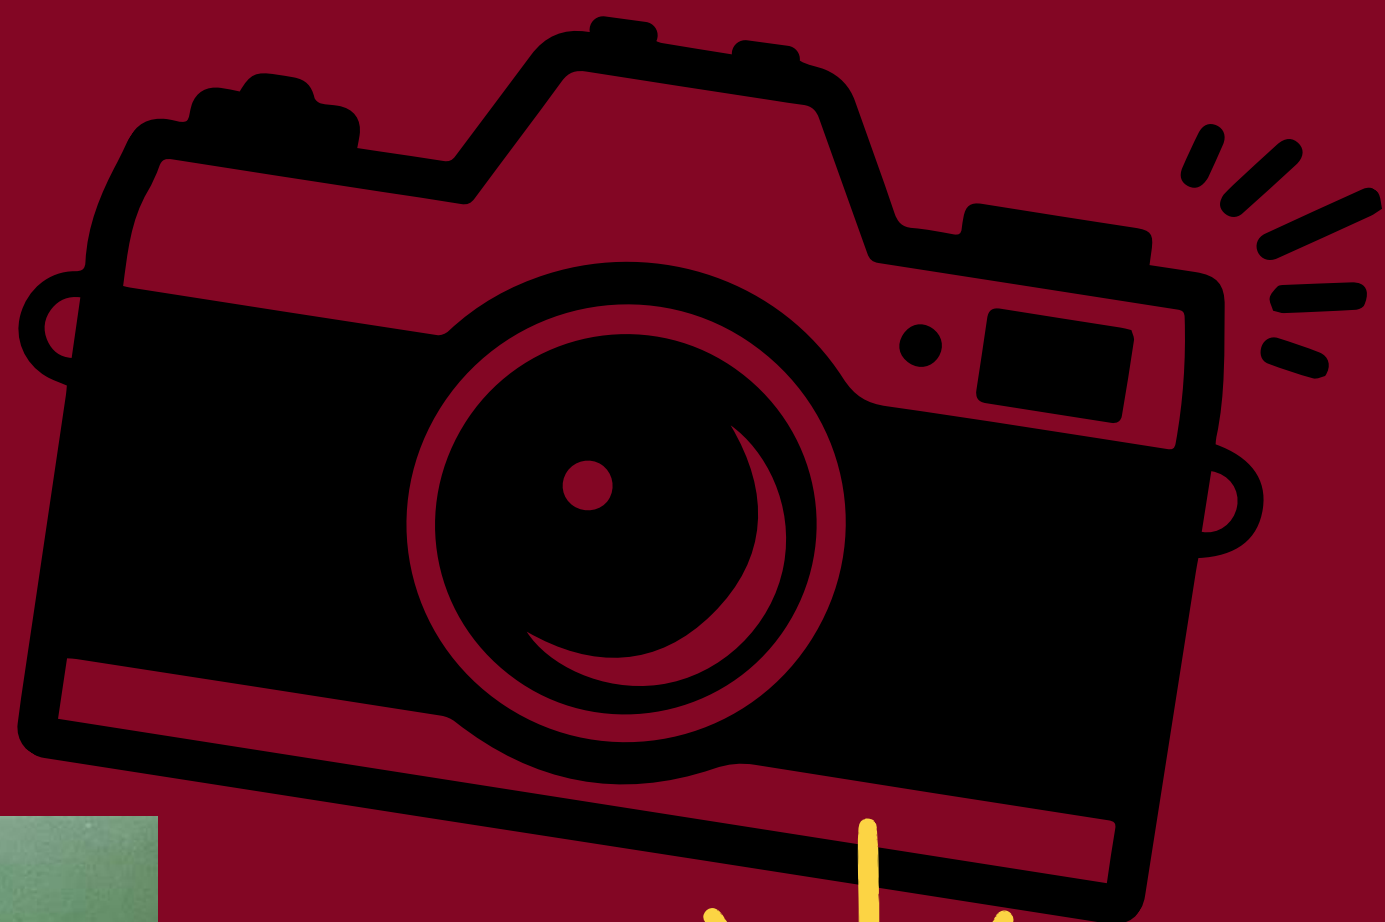

There is something incredibly powerful about a community coming together with a shared purpose. Every contribution, every tuck item purchased, and every act of support has helped so much.

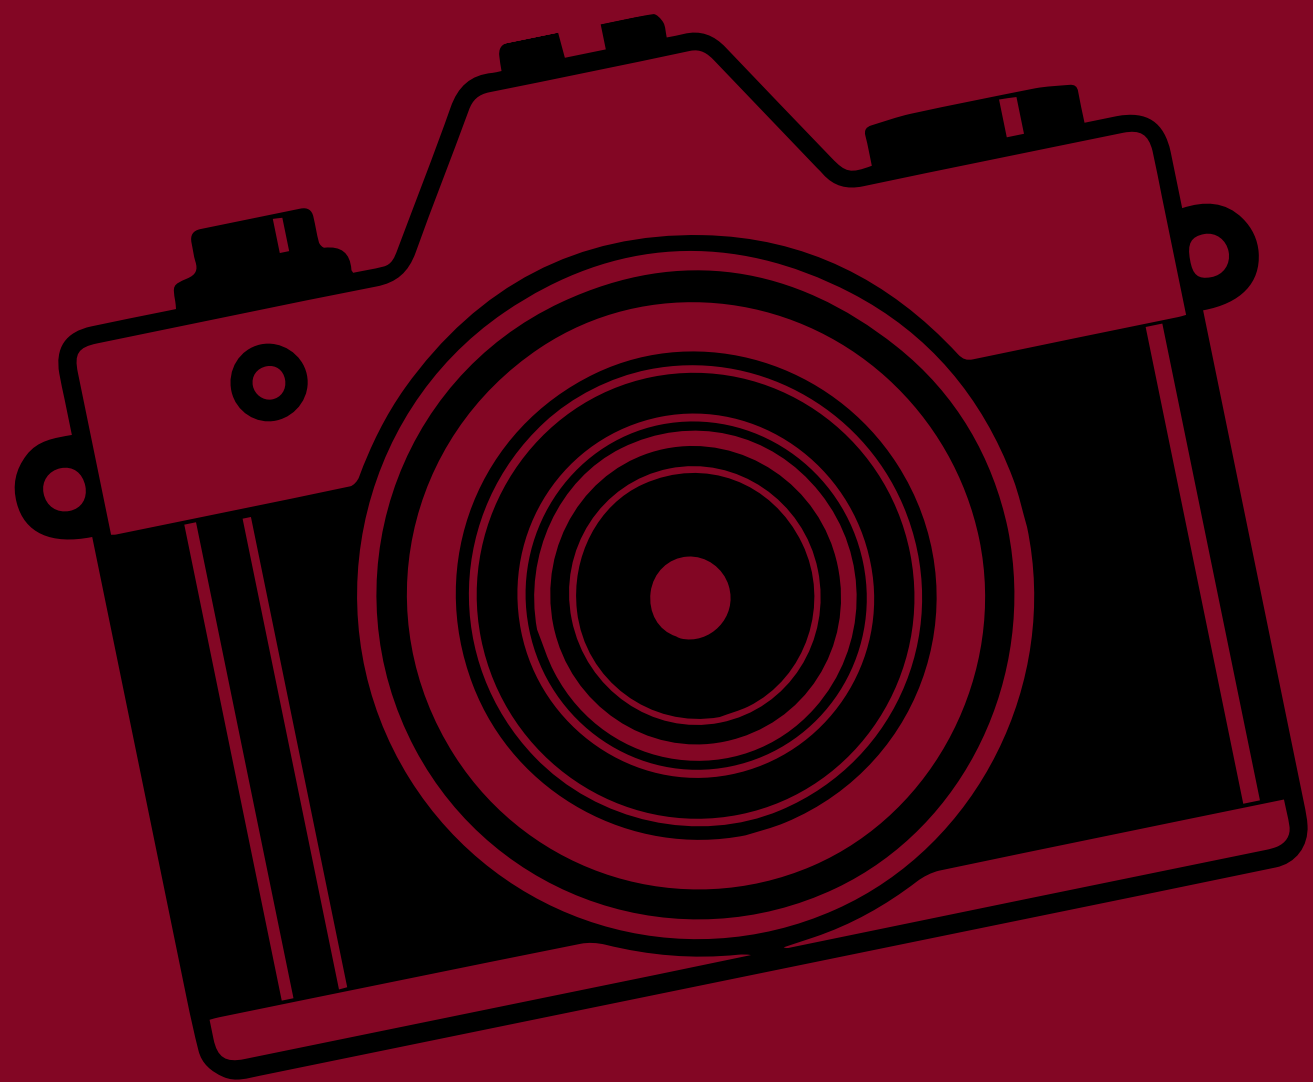

Today, we celebrate with hearts full of gratitude as the first delivery of our new classroom equipment arrives. These resources are more than just new additions to our learning spaces, they are a reflection of the generosity, belief, and partnership of our wonderful school community.

To each parent who supported our fundraising efforts, thank you. This is only the beginning! We are excited to share that more deliveries are still to come, and we cannot wait to see the continued impact your support will have on our children for years to come!
