A Note from the Principal's Desk

A heartfelt thank you to all the staff, parents and kiddies for the lovely birthday wishes and blessings. Your kind words made my day so special.

The children made me the most beautiful, meaningful cards, filled with their lovely drawings and so much love. Each one brought a smile to my face and is something I will treasure.

I am so grateful for all the thoughtfulness and feel truly blessed to be part of the Woodlands Pre-Primary family.

Sports Day

Our Sports Day was a wonderful morning filled with fun, laughter and plenty of action! The lovely weather made it even more enjoyable as the children took part in the interactive activities, cheered one another on and had so much fun together.

A heartfelt thank you to Quinton and the Action Ball team for all their preparation, enthusiasm and support in making the morning such a success.

To our tuckshop ladies and teaching staff, thank you for your dedication, time and helping hands. We truly appreciate everything you did to make this a special morning for our children and families.

Bird and Monkey Park

Our Grade 000 children thoroughly enjoyed their outing to the Monkey and Bird Park!

For many of our little ones, this was their first experience of travelling on a big bus and heading off on a school outing, making the day even more exciting.

We saw many beautiful animals and learnt so much about them along the way. There was plenty to discover, and the children loved exploring together.

We also enjoyed a lovely picnic, taking a break from our adventures to sit together, enjoy our snacks and chat about all the animals we had seen. Sharing this time with friends made the outing even more special.

It was a wonderful day of discovery, smiles and special memories!

Bike day!

Tuckshop 2027

I am putting out a heartfelt plea for volunteers to help with our tuckshop in 2027.

Our tuckshop is such a happy little part of school life, and the children love the excitement of choosing a treat and seeing a friendly face behind the counter. Keeping it going depends on the kindness of those willing to give a little of their time.

We know that life is busy and everyone has commitments, but if you could spare a little time, even occasionally, we would be so grateful. The more helping hands we have, the lighter the load for everyone. You don't need any experience, just a willing heart, and we'll help you find your feet.

If you would be willing to join the tuckshop team, please let me know so that we can discuss your availability.
