SENIOR COLLEGE NEWSLETTER

20 NOVEMBER 2025

A MESSAGE FROM OUR PRINCIPAL

Dear Parents, Guardians, and Students,

It is hard to believe that we are already approaching the end of another school year. As our students work through the final stretch of their exam period, I want to acknowledge the effort, discipline, and resilience they have shown over the past few weeks. This stage of the year can feel long, and finding motivation for the last few papers is often the greatest challenge of all. I encourage every student to finish strong, dig deep, and give their very best during these final days. The way you complete the journey is just as important as how you started it!

Although the academic programme is drawing to a close, the administrative side of our year is still very active. Please remember that student reports — containing the final promotion marks for each grade — will be issued on 3 December. Until that point, all marks remain provisional while the final checks, moderation, and calculations are completed. We are also looking forward to celebrating excellence at our annual Honours Evening, which will take place on 2 December. Invitations will be sent out on 1 December, and we look forward to recognising the hard work, commitment, and achievements of our students across academics and service.

As we enter these last few days of the 2025 examination cycle, I wish every student strength, clarity, and confidence. You have worked incredibly hard to get to this point, and I have no doubt that you are capable of finishing on a high note. Keep going — you are almost there!

Mrs J Harvey

UPDATED PARENT ACCESS CARDS FOR 2026

With the anticipation of the 2026 school year, we kindly ask all parents to send us an updated head-and-shoulder photo of themselves, along with their full names, for the renewal of parent access cards to reedk@woodlandscollege.co.za

Please also include your child's full name and grade in 2026 to help us match the details correctly. Our goal is to have all updated access cards ready by the first week of school in 2026.

Thank you for your cooperation and for helping us keep our school's security processes up to date!

SCHOOL LOCKERS

 As the end of the school year approaches, a quick reminder! 
Students making use of school lockers are asked to start clearing them out before the last day of school.

Any lockers still locked or full after the final day will be cut open and cleaned out, so please don't leave your things behind!

Let's finish the year strong — and with clean lockers! 😊
