SENIOR COLLEGE NEWSLETTER A MESSAGE FROM OUR PRINCIPAL

4 DECEMBER 2025

Dear Parents, Guardians, and Students,

We've made it to the end of the 2025 academic year — and what a year it has been! I am so incredibly proud of all our students for the hard work they've put in.

I would like to thank our students. You've tackled challenges, grown in ways you might not even realise yet, and shown a level of resilience that makes your teachers really proud. Whether you excelled in academics, culture, sport, leadership — or simply managed to hand in your homework on time— you've each contributed to the spirit of Woodlands.

We awarded these hard working students at our annual Honours Evening on Tuesday. Congratulations again, and to those whose names were not called — please know this: your effort, your improvement, and your character are just as valued.

It was also my great pleasure to introduce the new Executive Prefect Body for next year. These young leaders have been chosen for their character, dedication, and willingness to take on the responsibility of guiding their peers. I am confident they will represent the College with pride and support their fellow students.

I would also like to thank our parents for your support throughout this year. I strongly believe together we make a formidable team and I look forward to an even better 2026! Thank you as well to my wonderful dedicated teachers, thank you for your commitment, the countless hours and for the belief you invest in our Woodlands students.

I wish all of our families a blessed festive season, enjoy the time with family! Travel safely if you are going away and I look forward to an amazing 2026 with you all!
