A MESSAGE FROM OUR PRINCIPAL

Dear Parents, Guardians and Students,

As our first week of exams draws to a close, the talk on the corridors has mainly been to do with studying! While activity begins to die down as we reach the thick of the exam session, the planning, preparation and of course marking does not stop.

This week we had the pleasure of hosting our Grade 9 Subject Choice Evening, an important milestone as our students begin considering the pathways that will shape their future studies and careers. Choosing subjects is a significant decision, and we are committed to providing our students and families with the guidance and information they need to make informed choices. A sincere thank you to all the parents who joined us for the evening. Your support, and involvement play an invaluable role as your children navigate these important decisions.

This Saturday, we are excited to welcome our alumni back to campus. It is always a special occasion to reconnect with our former students, celebrate the friendships and memories that began at Woodlands, and see how our alumni continue to make a difference in the world. We look forward to an afternoon of laughter, friendly competition and catching up with familiar faces.

We wish everyone a wonderful weekend (enjoying the World Cup Football Final!) and look forward to another good week of exams ahead.
