

Woodlands International College invites applications for the position of

Intermediate Phase Educator – Mathematics Specialist

Commencement date: 1 May 2026

Woodlands International College is a progressive, co-educational independent College situated on a pristine wetland on the northern boundary of Boksburg. We are seeking to appoint a full-time **Mathematics Specialist Intermediate Phase Educator** for our Junior College.

The ideal candidate will have a proven and successful track record within an Independent School, IEB environment. We seek a passionate and dynamic educator who demonstrates creativity, vision and a growth mindset.

The successful candidate will:

- Hold a recognised qualification in Intermediate Phase Education
- Be a lifelong learner, open to emerging trends in education
- Have at least five years' experience teaching within the Intermediate Phase
- Demonstrate passion for and experience in teaching Mathematics
- Hold current SACE registration
- Possess excellent organisational skills and the ability to lead and inspire others
- Be proficient in the use of technology to enhance and support learning
- Show willingness to participate fully in College life, including extra-curricular activities
- Have knowledge of Mindbourne Mathematics (advantageous)
- Demonstrate flexibility and the ability to work effectively in a progressive environment

Educators at Woodlands International College are expected to embody the qualities of a 21st-century educator. Teachers serve as role models to students and are therefore required to act with professionalism and integrity at all times. Woodlands educators demonstrate sincere care for the welfare and holistic development of all students.

Interested applicants are invited to submit a covering email, together with a comprehensive Curriculum Vitae and the contact details of three referees, to:

cv@woodlandscollege.co.za If you do not receive communication from the College, please consider your application unsuccessful.

In line with POPIA, Woodlands International College will endeavour to ensure the confidentiality of all applications. Reasonable measures will be taken to protect personal information, which will be used solely for recruitment, selection and reporting purposes. By submitting an application, candidates acknowledge and accept this disclaimer.

Closing date for applications: 20 February 2026
